

# UPM ADVANCED

INNOVATING BEYOND LIMITS WITH CUSTOMER DRIVEN SOLUTIONS

## **BUILD PLATES**

- Pre-Machined New Build Plates
- Customizable Sizes & Thicknesses
- Support Major Machine Brands
- 20 Different Material Offerings
- Build Plate Refurbishment Program

## **POWDER AND WIRE FEEDSTOCK**

- Premium Powders & Wire Feedstock
- Custom Sizes & Specifications Available
- Industry Approved, Certified Materials
- Reliable Supply & Fast Delivery

## **INNOVATIVE SUPPLY CHAIN SOLUTIONS**

- Part Cut-Off
- Resurfacing
- Inventory Management
- Build Plate Life Projection
- Serialization Tracking System
- Advanced Material Expertise

## **ADVANCED SOLUTIONS**

UPM Advanced Solutions is a global provider of innovative, tailored solutions and high quality products, committed to meeting the evolving demands of customers across advanced industries. With expertise in cutting-edge materials and supply chain solutions, we help industries like aerospace, space, medical, and more drive innovation and achieve new possibilities.
