

Subject: European Union Directive 2011/65/EU, Effective July 22, 2019 (RoHS3)

To Whom It May Concern,

United Performance Metals, Inc. distributes stainless steel, nickel alloys, cobalt and Titanium materials from a variety of mill sources which have declared that their material complies with the requirements of the European Union Directive 2011/65/EU & (EU) 2015/863.

Furthermore, processing these materials at United Performance Metals, Inc. will, in no way, alter the ability of these materials to remain compliant with the EU RoHS directive.

Thank You,

Brad Butler
