2. GENERAL/ORDERS

2.1 The Contract shall be subject to these Conditions to the exclusion of any other terms and conditions on the Buyer's order form, or other document or communication from the Buyer.

2.2 No terms or conditions endorsed on, delivered with or contained in the Buyer's purchase order, confirmation of order, specification or other document shall form part of the Contract whether as a result of such document being referred to in the Contract or otherwise.

2.3 All Goods sold by the Seller are subject to these Conditions and no amendment or addition to any of these Conditions shall be deemed to have been accepted unless agreed in writing and signed by a director of the Seller. No representative, agent or sales person has the Seller's authority to vary, amend or waive any of these Conditions. No statement, description, information, warranty, condition or recommendation contained in any catalogue, price list, advertisement or communication or made verbally by any of the Seller's agents or employees shall enlarge, vary or override in any way any of these Conditions.

2.4 The placing of an order for the Goods or the acceptance of a Quotation by the Buyer shall be deemed to be an offer by the Buyer to buy the Goods subject to these Conditions, and must be in writing and accompanied by sufficient information (in the Seller's judgment) to enable the Seller to proceed with the order straightaway in default of which the Seller may increase the Price to cover any increase in cost which it incurs as a result of delay due to insufficient information.

2.5 No order placed by the Buyer shall be deemed to be accepted by the Seller until it has been accepted in writing by the Seller or the Seller delivers the Goods to the Buyer, whichever is the earlier.

2.6 Any Quotation is valid for a period of 7 days provided that the Seller has not previously withdrawn it and subject to confirmation of the availability of the relevant stock at the date of receipt of the Buyer's order by the Seller.

The Seller accordingly reserves the right to adjust the invoice Price by the amount of any increase or

decrease in such costs after the Price is quoted and the invoice so adjusted shall be payable as if the Price set out therein were the original contract Price.

3. PAYMENT

(a) the Buyer defaults in the payment of any due instalment; or

(b) the Buyer fails to give delivery instructions in respect of any outstanding quantity of Goods.

4. SECURITY FOR PAYMENT

If before the Goods are dispatched there arise reasonable grounds for the Seller to believe that the Buyer will not be able to fulfil its payment obligations the Seller shall have the right to demand from him security, in the form determined at the Seller's sole discretion. If such security is not received within the period specified by the Seller (such period not to be unreasonable) the Seller may terminate the Contract without further liability on its part but the Buyer shall be liable to the Seller in respect of any losses (including loss of profit) incurred by the Seller as a consequence of such termination.

7.4 The Seller shall have the right to make delivery by instalments of such quantities and at such intervals as it may decide, and any express provision as to instalments in the Contract shall be in addition to and not in derogation of this right.

7.5 Where the Goods are for delivery by instalments any defect in any installment shall not be a ground for cancellation of the remainder of the instalments and the Buyer shall be bound to accept delivery thereof.

8. CARRIAGE

8.1 Unless otherwise agreed by the Seller in writing, the Goods will be delivered Ex Works and the Price of the Goods is exclusive of carriage, packing and insurance.
