Power Generation
Oil and Gas
Semiconductor

Products

Stainless Steel
Nickel Alloys
Cobalt Alloys
Cobalt Chrome Moly
Titanium
Duplex Stainless Steel
PRODEC®
Aluminum
Alloy Steel

Certifications

AS9100D
AS9100C Belfast
ISO 9001:2015
ISO 9001 Belfast
ISO 13485
GE Aviation S1 (S1000)
Pratt & Whitney LCS
Laser Machining/Cutting Approval

- NADCAP AC7116
- GE S422

FIRSTCUT+® Processing Services

Cut-To-Length
Leveling
Slitting
Edging
Chamfering & Facing
Shearing
Laser Cutting
Laser Gauge Measurement
Water Jet Cutting
Plasma Cutting

Sawing
Precision Cold Saw Cutting
Precision Blanks
First Stage Machining
Heat Treating
Ultra-Sonic Testing
Boring
Trepanning
Deburring

Company Overview

United Performance Metals (UPM), an O'Neal Industries affiliate company, is a global distributor of high-performance specialty metals. UPM's full line of high strength, high temperature, and corrosion resistant materials coupled with FIRSTCUT+® Processing Services provides quality solutions which support a variety of industries.

Mission

To deliver quality products and services to our customers through world class processes, people and facilities

Vision

To be recognized by our customers, employees and owners to be the best performing specialty metals service center

Values

Respect - We respect our customers, employees, suppliers, community and shareholders.

We exemplify this through a culture of honesty and integrity that stresses 'doing what is right' for all groups and individuals. Employee safety is held to the highest

Leadership - We train, coach, encourage and reward to create an empowered work force that is responsible for meeting the expectations of our customers, employees, suppliers and shareholders, working to innovate and improve products, services

Continuous Improvement - We are committed to an environment of continuous improvement in everything we do. We do this by understanding customer, employee and supplier expectations and continuously working to innovate and improve products, services and processes.
